*CFRE International has developed this form as a way for you to quickly track (and keep in your files!) the continuing education sessions you have attended. Simply check the boxes next to the sessions you attended. At the end of the conference, add up the total number of hours. Keep this sheet and you will be ready to complete your application form. All of the session slots listed are eligible for continuing education points on your CFRE application for initial certification and/or recertification. Sessions not listed here are not eligible for points.*

**Dates and Location:** - June 15, 2017

Join us for an interactive program with facilitator Jay Frey —a fundraiser with 40 years of experience in organizations of various sizes and missions.

Jay will give a brief overview of fundraising ethics and then attendees will work in small groups to review an ethical dilemma as presented in a real-world scenario. Each group will receive a different scenario to work on. Each group will discuss the situation, develop the most ethical solution, and then present their conclusion to other attendees.

Jay will address attendees' questions and foster discussion around each group's scenario and conclusion. The session will end with a brief discussion on contingency fundraising as a current issue in terms of ethics and fundraising.

**Total number of points attained: 1.5**

Courses Marked **NFR** (Non Fundraising Related) may be counted towards the 10 point maximum of NFR Courses on the initial CFRE application and the 5 point maximum on the re-certification application.
