

Every Member Campaign 2011

The AFP Foundation for Philanthropy is a partner in the development and funding of programs and initiatives that make it possible for thousands of fundraising professionals to enhance their skills and knowledge. The Foundation funds AFP strategic initiatives like educational opportunities, as well as research awards and scholarships to the AFP International Conference.

This year the Chapter goal is **\$6,165.00**. 25% of contributions return to the WPA Chapter as a grant when the goal is reached. The Chapter uses these funds to provide scholarships to members.

The Western Pennsylvania Chapter would like to thank the following members for their generous gifts as of **October 7, 2011**:
