Pirates vs Cardinals

Join your fellow fundraisers and their families for a night at PNC Park as the Pirates take on the Cardinals.

**AFPWPA President, Jill Simmons
will be singing the National Anthem!**

It's Grateful Dead night with the Pirates. Prior to the game you can hear Jill and her band *theCAUSE* perform a 90 minute set on a special stage outside the stadium.

Jill Simmons started singing with the area's leading jam band, *theCAUSE*, in 2008. The band plays tunes from the Grateful Dead, the Beatles, Jerry Garcia Band and other classic jam bands as well as their own original music. Jill also sings occasionally with Unlimited Devotion, a popular Grateful Dead band in South Florida. This will be the 10th year Jill 's been invited to sing the National Anthem for the Pittsburgh Pirates, and the first Grateful Dead night at PNC Park with *theCAUSE*. Visit the band's website for upcoming show information at www.thecausejams.com
